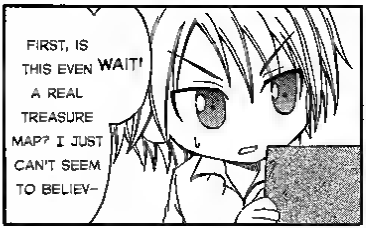
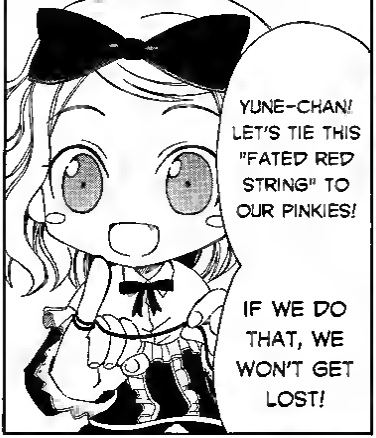
"IF THREE PEOPLE APPROACH IT, MANJUSRI'S WISDOM* WILL APPEAR." WE'LL SUCCEED IF WE FOLLOW THIS SAYING...
WHY DON'T WE ALL THINK ABOUT IT TOGETHER?
WHAT IN THE WORLD IS THIS? THESE SENTENCES WRITTEN UNDERNEATH THE MAP...?



FIRST, IS THIS EVEN A REAL TREASURE MAP? I JUST CAN'T SEEM TO BELIEV-
WAIT!

IT'S PROBABLY TALKING ABOUT THIS GALERIE CORRIDOR...

EVEN IF THREE PEOPLE APPROACHED IT, WHAT'S IMPOSSIBLE WILL ALWAYS BE IMPOSSIBLE IN REALITY.
FIRST OF ALL, IF WE DON'T MAKE A MOVE...
IF YOU GUYS KEEP THINKING ABOUT IT ALL DAY, WE'LL NEVER GET TO START SEARCHING!



YUNE-CHAN! LET'S TIE THIS "FATED RED STRING" TO OUR PINKIES!
IF WE DO THAT, WE WON'T GET LOST!

Alright, I'm starting to recycle note pages now. Anyways.

Since I'm done my preliminary examination for my finance course, I can drill chapters down now. Expect the chapters that you've all been waiting for very, very soon. For today, it'll just be Ikoku Meiro no Alice-chan 3 and Sainokami 3.

As always, if you enjoy our releases, consider donating or joining Kirei Cake. Just visit us at #cake @ irc.irchighway.net.

Translation Notes:

This time, there are a few things I just need to explain for Ikoku Meiro no Alice-chan Partie 3

First of all, for Partie chapters 1 2, I totally messed up calling her "Kamiyu " So far, she has only appeared in Partie 1 1 of the main senes, and because that was a very short Partie, I totally forgot about it until I re-read it and coincidentolly noticed it From now on, she will be referred to as "Camille," to follow the nome she had onginally

Now, as for the more important note, the entire "adventure for treasure" in this Partie is ENTIRELY based on the Joponese way of saying "bread " In English, we call it "bread " yeah, but in Joponese (if you didn't know already), it's just called 'pan" or "パン " Near the end of the chapter, you see Alice suddenly saying the word "partner " The reason is because in Japanese, the mangaka wrote "paatonaa" or "パートナー " The butler at the end explains that in reality, it actually said "pantonoa " or "パントナー,"which is just the some word as partner, except that a single phonetic (the long vowel and the 'n') was replaced as a pun for bread being your partner So when the gang found out that it was just a bakery having a bake sale, they just went omgwtfbbqcakes So yeah That's basically it

Manjusn is a bodhisattva associated with transcendent wisdom in Mahayana Buddhism You can just look it up here >http //en wikipedia org/wiki/Manjusn< - As for the Deku Stick, it's just reference to the branch Link finds in the Ocarina of Time You can Google it if you don't know what it is It was a personal request from prinny P
